**FOR IMMEDIATE RELEASE: JULY 21, 2010**

KinergyPower and KinergyPower International of Welland, Ontario announce that Nivale International Inc. of Niagara Falls, Ontario has been named sole licensing agent for KinergyPower International in a variety of countries in Europe and the United Arab Emirates. Greece is the only European country excluded from this agreement.

Nivale International Inc. is a consulting firm specializing in partnership programs and custom solutions. Nivale International Inc. is headed by Dan Djurkovic, CEO/President.

KinergyPower International invented and developed KinergyPower Carpets, KinerBumps, KinerRail and KinerPad. In first quarter 2010, they launched KinergyPower Venezuela. Stefanos Horianopoulos is the CEO of KinergyPower International.
